TO: ALL INTERESTED CRAFTERS, NOVELTY, FLEA MARKET & COMMERCIAL VENDORS

FROM: Barbara A. Haluszka, Executive Director

Here we go! It is time to get ready for the 2019 Battle Creek Field of Flight Air Show and Balloon Festival July 3-7, 2019!

Please take a minute and review the Tentative Schedule of Events as I’m sure you will agree that we have a great deal happening. We have Community Kick off with $5 Parking and “Free” Admission; up to 50 Hot-Air Balloons; Motorcycle Stunt Team; Great Lakes Timber Show; Skerbeck Carnival; Battle Creek ½ Marathon & 5K races; BC SpeedFest with ½ Mile Head to Head racing; great bands on stage; two huge Fireworks Displays; two Balloon Illumes, a Night Air Show and.....FOUR (4) AMAZING Days of AIR SHOW featuring the US Air Force F-22 Raptor Demo Team and including five (5) hours of thrill plus civilian performers!!

Now, all you need to do is submit your application and send 100% of your booth rental fee. We will review each application and notify you of your acceptance. We will NOT deposit your booth rental check if we are not going to accept you; we will simply void the check. Please remember that we only have so much room and we limit the number of duplicate booths. We want everyone to make money and to be happy! Therefore, the sooner you send us your information the better your chances are of being accepted! We will accept applications until June 10, 2019, providing space is still available.

Please be sure to read all the information we provide so that there are no surprises! It is also very important that everyone understand that no generators will be allowed in the Crafter/Novelty/Flea Market area. There is limited power supply for Specialty/Commercial Vendors only. We strongly urge all vendors to bring “solar lights” to have around their Tent/Booth for lights in the evening. We do have light carts and the Food Vendors generate a great deal of light as well.

Thank you so much for your interest and please don’t hesitate to contact me at the office 269-962-0592 or email me barb@bcballoons.com should you have any questions or concerns!

Hope to see you here!

PRODUCT SALES, ADVERTISING AND GIVEAWAYS

TO: BATTLE CREEK FIELD OF FLIGHT Vendors

FROM: Lt. Quincy Jones, Fire Marshall

As a friendly reminder, ALL FOOD booths must have a fire extinguisher. Anyone utilizing tents must make sure that they are “fire retardant” if larger than a 10 x 12. Although I strongly recommend that everyone have an extinguisher, I will not be issuing tickets to those non-food vendors that do not have one.

With that being said, the following requirements need to be met:

1. All gas cylinders, regardless if full or empty, must be chained or secured to your trailer.

2. All empty cylinder lines must be plugged.

3. One mounted fire extinguisher that has been inspected within the last twelve (12) months must be mounted near the door. Recommended size 2A10BC. If you do not comply, this is a City Violation and will result in a $100.00 fine.

All of the above requirements must be met by 2:30 pm on Wednesday, July 3, 2019, or you will not be permitted to open until such time as they are met.

PLEASE remember, these requirements are for your safety and the safety of others around you. We will have a Full Service Fire Extinguisher Company on Site to Assist you as well. There will be a fee for their service.

Anyone cooking product and/or using propane must have a fire retardant structure surrounding their booth regardless of which area you are designated to. If you have any questions, please feel free to email me at qdjones@battlecreekmi.gov

THANK YOU and best wishes for a great event!
